# IWiL 5-Year Anniversary Celebration

**"Female Empowerment through the Power of Cross-Mentoring"**

November 24, 2022 online & November 25, 2022 at Santander

*Dear Mentees, Mentors, Members & friends of IWIL*

We are celebrating our 5-Year Anniversary!

The Initiative Women into Leadership e.V. (IWIL) was founded in 2017 by companies and top personalities from the fields of science, culture, society, medicine and business who share the same goal: to enable the sustainable advancement of women at the top level.

We've been bringing mentees and mentors together for five years now and thus promoted the development of top female talent in our member companies.

We strive for female empowerment and the power of cross-mentoring. Therefore, we would like to celebrate our special anniversary with you in a two-Day Event on November 24th and 25th. Filled with special speeches and insightful panel discussion, we take the next step in our journey.

A special thanks to Isabel Tufet and Santander in Mönchengladbach for hosting our second day at their location.

We look forward to welcoming you to this special occasion!

Yours truly,

*The Team at Initiative Women into Leadership e.V.*
